## Pool Party Rental Information

Parties consisting of 10 or more non-family members gathering in an organized group during the normal operating hours of the pools are responsible for making a pool party reservation. This reservation is critical due to the limited life-guard to patron ratio that is in place at each pool.

Fees are charged to reserve the facility for the event and do not cover the entry fees of any non-resident of the Town. These fees cover the cost of an additional lifeguard(s) to be present during the party, and reserves two (or more) pool side tables for the group. Non-residents of the group shall be charged the applicable guest fees separate from any reservation fees. Day time pool party reservations are available only to residents of the Town of Superior; non-residents may not reserve the facility or enter the facility without the accompaniment of a Town of Superior resident. Evening pool rentals are available for non-resident groups.

**Please Note:** Pool reservations during normal operating hours are non-exclusive. You will be expected to share the pool area with the public.

Fees and policies differ for evening pool party rentals. Both the North and South Pools may be rented for evening pool parties. The hours that the pools may be rented are Sunday through Saturday evenings 8:00-10:00 p.m. Parties must be out of the pool facility by 10:00 p.m.

Please contact the **Parks, Recreation and Open Space** office at **303-499-3675** for availability. All reservations must be made two weeks in advance.
